Two area firms – The Financial Network Group, Ltd., and Truepoint Inc. – have been named to Barron's list of Top 100

Independent Wealth Advisors for 2011.

Financial Network group, which is based in Sycamore, was started in 1994 when two separate financial service companies merged. It ranked 27th on the list. The firm was ranked 29th last year. Nathan Bachrach and Ed Finke are the managing partners.

Truepoint, a fee-only firm, was started by principal and chief executive officer Michael Chasnoff in 1990. It was ranked 87th and is a new addition to Barron's list.

Barron's says the rankings reflect the volume of assets overseen by the advisors and their teams, revenues generated for the firms, and the quality of the advisors' practices.
